POWERFUL. A powerful and detailed grasp of Biblical ethics and how they have shaped—and continue to shape—our world through the ages. This is a book many need right now. Edwin Black, author of *IBM and the Holocaust*.

PATHFINDING. With tenacious precision, unifies the written word of the Bible and the history of humankind to create a pathfinding book ... which promises to shape the lives of many in this world, now and in the future. Martin Barillas, author of *Shaken Earth*.

UPLIFTING. At a time when values are being overturned and discarded, Faye Lincoln's *Values That Shape the World* provides an uplifting reminder of how we got here, and the teachings we need to grasp to move forward in peace and strength. Erick Stakelbeck, host of *The Watchman*.
